**THE RIGHT CHEMISTRY
FOR THE RIGHT FUTURE**

The largest revolutions are sparked off by individual changes. And when it comes to education, every change makes a difference. We know that because since 1984, we at Mandsaur ED Universe have been instrumental in changing the way education is perceived, imparted and leveraged in the streams of Engineering, Pharmacy, Ayurveda and Medicines, Management, Life Science Education and Physical Education. We are an educational organisation with an experience of near about two decades and an expansive presence of 11 institutes across 9 lakh sq ft of campuses and facilities.

ONE OF THE TOP 20 IN THE COUNTRY

As one of the top 20 centers of learning in the country, B. R. Nahata College of Pharmacy has carved a niche in pharmaceutical education in India. Blending the art and science of pharmacy, we have been offering the best-in-class training coupled with current industry relevant experience and expert mentoring.
