NAAC Expert Prof. K. Viyyanna Rao Leads Accreditation Orientation at Mandsaur University

Mandsaur, February 16, 2025: Mandsaur University successfully hosted an NAAC accreditation orientation and evaluation visit from February 12th to 15th, 2025. The visit, led by esteemed expert Prof. K. Viyyanna Rao, aimed to enhance faculty, administrative officers, and supporting staff's understanding of the accreditation process to improve the overall quality of education at the university.

During the visit, key discussions were held with the Honourable Vice Chancellor, administrative staff including the Registrar, Controller of Examination, Dean Academics, Placement Officer, Research Dean, Heads of Departments (HODs) from various programs, and the Librarian. These discussions identified crucial areas for improvement and alignment with NAAC standards.

The Internal Quality Assurance Cell (IQAC) team engaged in a detailed discussion on NAAC methodology, and the university's preparedness for accreditation was thoroughly reviewed. Additionally, visits were conducted across both Campus-I and Campus-II, where interactions with HODs and faculty took place. The team assessed classroom infrastructure, laboratory facilities, and IT support to evaluate institutional capabilities.

A comprehensive presentation was delivered to faculty members, HODs, and university officers, emphasizing the accreditation process, methodologies, and the significance of collective participation to ensure a successful NAAC evaluation.

Departments of English & Communication Skills and Business Administration & Commerce Conduct 'Vidya Vandhan Utsav – A Skill Enhancement Program under Indian Knowledge System

Mandsaur, February 01, 2025: Mandsaur University successfully organized "Vidya Vandhan Utsav – A Skill Enhancement Program under the Indian Knowledge System" on February 1, 2025 coordinated jointly by the Department of English & Communication Skills and Department of Business Administration & Commerce. The event aimed at fostering holistic development among students by integrating traditional Indian wisdom with modern education.

Plethora of activities were conducted as part of the program, including a Debate Competition, Art Exhibition, Singing & Recitation Competition, Essay Writing Competition, and a Quiz on Indian Tradition. A large number of students participated enthusiastically, displaying their talent and deepening their understanding of India's rich cultural and intellectual traditions.

Adding to the academic enrichment, Dr. Dinesh Chandra Gupta, Professor, Department of Commerce, Government PG College, Mandsaur, delivered an insightful lecture titled "Role of Indian Knowledge System in Context of Students' Discipline and Study Based on Recitation of Ramayana and Bhagavad Geeta." Dr. Gupta highlighted the relevance of Indian scriptures in shaping students' discipline, values, and academic growth, emphasizing the importance of integrating these teachings into modern education.

The winners of various competitions were felicitated, recognizing their efforts and excellence in different domains. The event opened new vistas of learning and enlightenment for students, providing them with a deeper insight into the rich heritage and timeless wisdom of India. Vidya Vandhan Utsav reaffirmed Mandsaur University's commitment to value-based education and skill development through the Indian Knowledge System.

Fashion Design Department Hosts ‘Cinema Yaadein’ – A Bollywood Flashback

Mandsaur, February 08 ,2025: Mandsaur University’s Fashion Design Department organized a captivating event, “Cinema Yaadein – A Bollywood Flashback,” on February 8, 2025, from 11:00 AM to 1:00 PM in LT-1. The event celebrated Bollywood’s cinematic legacy, with students enthusiastically dressing up as iconic characters from various eras.

The highlight of the event was the Character Walk, where participants showcased their costumes and acting skills, embodying legendary Bollywood personas. A lively quiz session followed, testing students’ knowledge of Bollywood history and their chosen characters. A distinguished panel of judges engaged students in a Q&A round, evaluating their understanding and passion for Indian cinema.

The event concluded with a prize distribution ceremony, recognizing the top three participants for their creativity, performance, and cinematic knowledge.

“Cinema Yaadein” provided an engaging platform for students to explore costume design, character portrayal, and Bollywood’s rich heritage. The event was both educational and entertaining, offering an immersive experience for participants and the audience alike.

Fashion Design Department Conducts Two-Day Workshop on Fashion and Product Photography

Mandsaur Feb 24: Mandsaur University successfully hosted a two-day collaborative workshop on Fashion and Product Photography on February 24-25, 2025. The workshop brought together the Fashion Design and Journalism & Mass Communication departments, offering students a blend of practical experience and theoretical knowledge in photography.

The event focused on enhancing students' understanding of visual communication in fashion and product presentation. On the first day, students engaged in product photography, learning techniques in angles, composition, and lighting to capture high-quality images of items such as cosmetics and jewelry. The second day centered on fashion photography, where students explored posing, directing models, and specialized lighting techniques for apparel photography.

Renowned photography expert Mr. Zia Shakir conducted special lectures, providing students with valuable industry insights. The workshop concluded with students receiving e-certificates for their successful participation.

This initiative strengthened students' practical skills, preparing them for professional roles in fashion media, product branding, and commercial photography.

TechTitan MU – A National-Level Hackathon Concludes Successfully at Mandsaur University

Mandsaur Feb 15: Mandsaur University successfully hosted "TechTitan MU – The Ultimate Hackathon", a 36-hour coding marathon that saw the participation of 59 teams and 160 participants, including six competitors from other institutions. The event served as a platform for young innovators to develop real-world solutions using cutting-edge technology.

The hackathon featured three esteemed keynote speakers Mr. Narendra Kandragula, Assistant Vice President, Deutsche Bank, New York, USA, Mr. Sahil Dheer, Senior Risk & Security Manager, Amazon and Mr. Deepak Deshmukh Rao, Consultant (Software R&D), Infosys, Bengaluru.

A distinguished panel of 15 judges from across the globe evaluated the projects based on innovation, feasibility, impact, and technical execution. Participants presented projects in emerging domains such as Artificial Intelligence (AI), Cybersecurity, Blockchain, Internet of Things (IoT), and FinTech.

The closing and award ceremony was graced by Hon'ble Vice-Chancellor Dr. V. S. S. Kumar, Registrar Ashish Parikh, Dean of Academic Affairs, Dr. Arunava Das and the Head of the Department of Computer Science & Engineering. Faculty members, industry experts, and students joined to celebrate the winners, who were recognized for their exceptional problem-solving skills and technical expertise.

Speaking at the event, Dr. Nilesh Jain, Head of the Department of Computer Applications, stated, "TechTitan MU provided a remarkable platform for young innovators to think beyond boundaries, collaborate, and develop impactful solutions for society. We extend our heartfelt thanks to all participants, keynote speakers, judges, and sponsors for their invaluable contributions."

TechTitan MU was an inspiring journey, fostering technological innovation and creativity among students. Mandsaur University looks forward to organizing more such impactful events in the future.

Education Department Organizes Guest Lecture on NEP 2020 and Indian Knowledge System

Mandsaur, 15 February 2025 – The Department of Education, Mandsaur University, successfully organized a guest lecture on "NEP 2020 and Indian Knowledge System" for B.Ed. first-year and second-year students. The event aimed to raise awareness about the significance of the Indian Knowledge System (IKS) in the field of education.

The program was inaugurated by Dr. R.P. Pandey, Professor & Head, Department of Education, Mandsaur University. The session commenced at 12:30 PM in the Department of Education, where Dr. Virendra Jain delivered an insightful lecture on NEP 2020, emphasizing its vision of making education more inclusive, equitable, and holistic. He highlighted the policy's focus on integrating Indian Knowledge Systems into school and higher education curricula and also elaborated on the historical significance and contemporary relevance of IKS.

The event was coordinated by Dr. Bharat Upadhyay, Assistant Professor, Department of Education, with the participation of faculty members and students. The session provided an enriching academic experience, reinforcing the university's commitment to advancing educational excellence and traditional wisdom.

Mandsaur University's Education Department Hosts Debate on 'Social Media: Boon or Curse'

Mandsaur, 22 February 2025 – The Department of Education, Mandsaur University, successfully organized a Debate Competition on "Social Media: Boon or Curse" for B.Ed. first-year and second-year students. The event aimed to develop students' critical thinking skills by encouraging them to analyze complex issues, construct well-reasoned arguments, and effectively communicate their perspectives.

The program was inaugurated by Dr. R.P. Pandey, Professor & Head, Department of Education, Mandsaur University. The session, which began at 11:30 AM in the Department of Education, was coordinated by Dr. Bharat Upadhyay, Assistant Professor. The event welcomed esteemed judges Mr. Nana Lal Kumawat, Assistant Professor, Department of Civil Engineering, and Mr. Anil Ekven, Assistant Professor, Department of Chemistry, Mandsaur University. Participants presented their views on the topic, either in favor or in opposition, while the judges evaluated their speeches based on clarity, content, and presentation.

At the conclusion of the debate, both judges commended the participants for their efforts and encouraged them to engage in similar intellectual activities. Dr. Bharat Upadhyay delivered the vote of thanks, expressing gratitude to the faculty, judges, and students for their participation. Other faculty members from the department were also present.

Following the evaluation, the winners were announced as Deepanshi Paliwal (B.Ed II Year, IV Semester) – First Position (Favor), Khushboo Gaur (B.Ed II Year, IV Semester) – Second Position (Favor), Yogita Salitra (B.Ed II Year, IV Semester) – First Position (Opposition) Annapurna Patidar (B.Ed II Year, IV Semester) – Second Position (Opposition).

The competition provided an engaging platform for students to debate an issue of contemporary relevance, further enhancing their analytical and communication skills.

EEE Organizes Guest Lecture on '*Electrical Vehicles Configuration & Research Aspects*'

Mandsaur, February 03, 2025: The Department of Electrical and Electronics Engineering (EEE) at Mandsaur University, in collaboration with the Internal Quality Assurance Cell (IQAC), successfully organized a Guest Lecture on "Electrical Vehicles Configuration & Research Aspects." The event witnessed active participation from students and faculty members, enriching their knowledge on emerging trends in electric vehicle (EV) technology and research.

The distinguished resource person for the session was Dr. Sanjiv Kumar Jain, Professor at Medicaps University, Indore. Dr. Jain delivered an insightful lecture covering the fundamentals of electric and hybrid electric vehicles, their architectures, technologies, and essential components. He elaborated on plug-in hybrid electric vehicle architectures, design and component sizing, as well as power electronic devices used in hybrid electric vehicles. The lecture also provided an in-depth analysis of various electric drives suitable for hybrid electric vehicles.

The session aimed to enhance participants' understanding of electric vehicles' applications in the field of Power System Engineering. Dr. Jain highlighted the career opportunities in this evolving sector and encouraged students to pursue research and projects in the domain of power systems. The interactive session allowed students to discuss various electronic and electric components used in EVs, safety precautions, and emerging research trends.

Dr. Jain further provided insights into thrust areas of research in the power system field and motivated students to contribute to academic and industrial advancements in electric vehicle technology. He emphasized the importance of academic and research contributions in this domain and shared valuable perspectives on the future scope of EV development.

The event was a great success, fostering enthusiasm among students and faculty members towards electric vehicle innovations and research. Mandsaur University remains committed to organizing such knowledge-sharing initiatives to bridge the gap between academia and industry trends.

SPORT

Department of Business Administration and Commerce Hosts Weekly Saturday Activity on Management Games

Mandsaur, January 25, 2025 – The Department of Business Administration and Commerce at Mandsaur University successfully organized its “Weekly Saturday Activity” on January 25, 2025, featuring engaging Management Games designed to enhance teamwork and focus among students.

The event saw enthusiastic participation from 45 students of BBA 1st Year, who actively took part in various fun yet insightful management games. The activities included Ad Mad Show, The Name Game, Blind Walking, and Guiding, all of which were structured to promote key managerial skills such as effective communication, leadership, and strategic thinking.

These interactive sessions aimed to instill essential corporate skills among students in an enjoyable and competitive environment. The initiative is part of the department’s ongoing efforts to blend academic learning with practical applications, preparing students for real-world business challenges.

The Department of Business Administration and Commerce continues to emphasize experiential learning through such innovative engagements, ensuring that students develop critical managerial competencies in a dynamic and participative manner.
