

Computer Science and Engineering

Dr. Harish Patidar
Head of the Department

I am delighted to share a proud moment for our department! Heartiest congratulations to Aditya Shrivastava, a talented student of the 6th semester, for securing an excellent internship opportunity at nReference, Bangalore with a remarkable stipend of ₹50,000 per month. This achievement is a testament to his dedication, skills, and relentless pursuit of excellence. We wish him immense success in his internship and future endeavors!

As we approach the semester break, I encourage all students to make the most of this valuable time. The break presents a golden opportunity to enhance your skills and gain practical experience. Whether through internships, online certification courses, or offline workshops, investing in self-growth will set the foundation for a brighter career. Stay proactive, explore new domains, and continuously seek knowledge beyond the classroom.

We are deeply saddened to share the loss of Aditya Bhatt, a second-year B.Tech CSE student, who passed away recently. His departure has left our college community in deep shock and sorrow.

His loss is not only a personal tragedy for his family and friends, but also a collective one for all of us who had the privilege of knowing him.

As we mourn his untimely passing, we also acknowledge the silent battles many students face. We encourage everyone to take mental well-being seriously and to seek support whenever needed. Let us come together with compassion and care for one another.

We extend our heartfelt condolences to Aditya's family and loved ones. Our thoughts and prayers are with them during this incredibly difficult time.
