HOD Message

Dr. Harish Patidar
Head of Department
Computer Science & Engineering

Dear Students,

October has been a month of progress, and now it's time to focus on the opportunities ahead. I encourage you to actively participate in ICIECT-2025, a platform to showcase your ideas and connect with global experts.

With MST-2 scheduled in November, begin your preparation early and use it as a chance to strengthen concepts. Also, keep in mind that the end-semester examinations are approaching—plan your studies wisely and aim for consistent effort.

Stay motivated, stay disciplined, and make the most of every opportunity. The Department of CSE is proud of your journey, and I am confident you will excel.

🏆 CSE Department Shines in Rivalry 2K25!

The CSE Department extends its heartfelt congratulations to all engineering students for their outstanding performance in Rivalry 2K25, held from October 13 to 17, 2025! We are immensely proud that the entire engineering contingent secured a spectacular 2nd place overall! We especially recognize and celebrate the incredible achievements of our students who contributed to this victory under the guidance of sports coordinator Mr. Pankaj Modi. Their dedication and athletic skill were on full display.

Ph.D Scholar RAC Presentation

The CSE Department successfully conducted the Research Advisory Committee (RAC) Presentation for its PhD Scholars on October 15, 2025. This RAC was coordinated by Prof. Dr. Firoj Parwej.

The session was attended by Dr. Abhishek Sharma from Shree Vaishnav Vidyapith Indore as an external examiner. Dr. Harish Patidar, Dr. Prabhat Kumar Singh, and Dr. B.K. Sharma as internal Examiner to review the progress and guide the research scholars.

Awareness Session for TCS-CodeVita

The CSE Department held a highly successful awareness session for TCS CodeVita on October 3, 2025, for CSE students.

The session was led by the Head of the CSE, Dr. Harish Patidar. He detailed the competition structure and the opportunity for direct placement interviews with TCS. Crucially, the guidance emphasized strategic preparation: students were advised to first decide on a core domain and then build a focused strategy based on that domain for effective practice.
