**Dr. Harish Patidar**  
HOD,CSE

From the desk of HOD

I would like to extend my heartfelt congratulations to all the students who have secured placements in various companies. Your achievements are a testament to your skills, determination, and the quality of education at our department. We are incredibly proud of you.

Furthermore, I am delighted to congratulate the sports achievers who made us proud during the sports week at Mandsaur University. Your dedication to both academics and athletics is truly commendable, and you have set a great example for your peers.

Let us all continue to strive for excellence in every endeavor. Best of luck for your exams, and keep up the great work!

Warm regards

# RIVALRY2K24

October, 2024 | Mandsaur University

RIVALRY  
2k24

## Rivalry2k24

The computer Science & Engineering department of Mandsaur University participated in Rivalry 2K24 with full enthusiasm and joy.

The goal of this Rivalry2k24 was to build sportsmanship, coordination and team work. This also exhibits the value of physical exercise in life.

## About the Event

The sports event Rivalry2024 was organized by Department of physical education.

In this event several students, both boys and girls of the department participated in various sports events. 45 students participated in the biggest sports event, Rivalry2k24.

These teams also won in several sports.

# VALUE ADDED COURSES

October, 2024 | Mandsaur University

## Web Development Workshop for 1st year Students

A workshop on Web Development was organized for the CSE 1st Semester students from 23rd September to 3rd October. The resource person for the workshop was Mrs. Rachna Sen from Indeed Inspiring, Pune, and it was coordinated by Mr. Dinesh Salitra. A total of 151 students participated in the event.

## Unlocking Blockchain

### Potential: Hands on Workshop

The Department of Computer Science and Engineering hosted a workshop on Blockchain Technology from 14th October to 19th October. The resource person for the workshop was Mr. Venu Babu Mareedu from Indeed Inspiring, Pune, and it was coordinated by Mrs. Priyanka Parihar. A total of 15 students participate in the workshop. The workshop enhanced the student's skills in understanding blockchain technology and exploring the subject.

## Machine Learning and Deep Learning for 3rd year Students

A value-added course on Machine Learning and Deep Learning was organized for the CSE 5th Semester students from 23rd September to 4th October. The resource person for the course was Mr. Ritviz Singh from Indeed Inspiring, Pune, and it was coordinated by Mr. Shrawan Kumar Sharma. A total of 110 students participated in the workshop.

# FACULTY PUBLICATIONS

October, 2024 | Mandsaur University

## RESEARCH PAPERS

1. Mr. Shrawan Kumar Sharma has participated in National Research Paper Writing Competition 'Vision for Viksit Bharat (VIVIBHA)'. This certificate was issued to him on 5th October, 2024.
2. Ms. Yashika Mathur has presented a paper in Research and Innovation titled 'A Comparative performance analysis of Machine Learning Algorithm for Hindi part of speech tagging'. This was presented in the 8th International Joint Conference on Advances in Computational Intelligence held during October 5th to October 6th, 2024.
3. Ms. Priyanka Khabiya published a Research Paper titled Cloud Based Image Processing Using Deep Learning for Real Time Object detection review. This was also published in the October month.

## BOOK PUBLICATIONS

1. Ms. Priyanka Khabiya has published the Book entitled 'Machine Learning and IoT' First Edition. The book is published by Scientific International Publishing House. This book was published in October month.

## CONFERENCE PAPERS

1. Dr. Harish Patidar and Ms. Priyanka Mangal presented the Paper titled 'Comparative exploration of conventional Machine Learning and Deep Learning Classifier for Prediction of Mental Health Disorder', in International Conference of Data mining and Information security (ICDMIS 2024) held on 7th - 8th October 2024.

## PATENT

1. Mr. Shrawan Kumar Sharma hold a Patent for 'AI Powered Behavior Analysis Tool for Enhancing Classroom Management Technique in Teacher'. This patent was published on 4th October, 2024.
2. Mr. Shrawan Kumar Sharma also hold a patent for 'Advanced Communication Technology Platform for Facilitating Real Time Collaborative Learning, Interactive Engagement, and Data Driven Assessment in Educational Environments'. This patent was published on 4th October, 2024.

## CERTIFICATIONS

1. Ms. Reshma Bhide accomplished a certificate of SQL ( Advanced) on HackerRank. this was issued to her on 14th October, 2024.
